CRITERIA

Returning teams will retain their spot back in their league if they have three returning players from last year's team¹. Registration plus deposit (one player's fees) must be received by the registration deadline **August 1, 2024**. The **Draws and Rules committee** will then fill the remaining open spots starting at the top of the waiting list until the draw is full. (Registration plus deposit must be received before the deadline). All remaining team fees are due September 1, 2024. We accept payments only in increments of four curlers. All fees to be paid online

WAITING LIST RANKING SYSTEM: (Registration plus deposit must be received before the deadline).

One point will be awarded for each of the following:

- Each shareholder 1 point
- Each player with active status² 1 point

The teams will then be ranked on the waiting list by total points from all four members of the team. Fifth man and others do not count.

Tie breaking criteria:

- 1) The number of share holders
- 2) The number of players active during any club evening league the previous season
- 3) The entry date of the application. Applications will be accepted beginning July 5, 2024; the registration deadline will be August 1, 2024 for returning teams. After this date new teams are slotted into spots.

¹ A player is considered a returning member of the team if the individual played with that team during the previous season and is listed in the previous season's roster book. Deadline for team changes is the start of the final round. Any changes or exceptional circumstances due to the COVID-19 pandemic will be considered by the Draw and Rules committee which report to the Board of Directors.

² Active status is granted if a player played on a team and is listed on the roster in the previous year.
