

Crestwood Curling Centre

Open Bonspiel 2025

This year's theme is "**Black and White Movies**" but the emphasis of the weekend is
FUN
so let's get the curling part out of the way first:

Curling Rules:

1. All games are 8 ends. Ties will be broken by an extra end.
3. Teams are responsible for marking up their own wins.
4. Prizes are pay-per-win, winners can collect their money following each game at the bar.
5. All Curling Canada rules of curling will apply.

And now for the FUN part:

We are running a Blind Calcutta, each team costs \$20.00. Spots can be purchased in the office. Payouts will be posted on the window outside the office.

All curlers have been given four partial playing cards in their welcome package. You must find the card that is exactly the other half of the one you were given (matching front and back). When you have found your match take both halves to the bar for two free drinks (one for you and one for the person who had your exact match).

Friday is **Shooter Night**

Saturday we will have our **Rose Bowls**

Sunday we will have a **Caesar** drink special for \$6.50

On Saturday night, dinner will be served between 6:30pm - 7:30pm.

Saturday night we have a DJ starting at 9:00pm

A very limited number of extra meal tickets are available . Please see Cornerstone BBQ no later than **Friday night by 8:30pm** to purchase any extra tickets.
