

Hello Crestwood Curlers,

As you will have seen on our website, we have had to make significant, and expensive, repairs to our 66 year old building. I can tell you that your Board of Directors and club management undertook thorough research to determine a highly qualified but economic company to make the necessary repairs. We have also applied for all grants available to us to help finance this unexpected undertaking.

The total project cost of approximately \$140,000.00 has put a significant financial strain on our club, and we are in dire need of funds. Simply put, we need your help.

Please consider making a donation to help out your club. Or, if you know of any companies or corporations that would be willing to sponsor or contribute to the repairs, please let me know. I would be happy to speak with them. Any and all donations are much appreciated and will receive a receipt for tax purposes.

Know that the Crestwood Curling Club eagerly anticipates your return, and the sound of great curling reverberating off of our newly renovated arena. It won't be long now!

Good curling everyone – I hope to hear from you soon.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Reg Reinhardt', written in a cursive style.

Reg Reinhardt

President, Board of Directors

Crestwood Curling Club
